ABOUT THE JOURNAL

Journal of Economics, Finance and Accounting (JEFA) is a peer-reviewed, quarterly and publicly available online journal. JEFA aims to provide a research source for all practitioners, policy makers, professionals and researchers working in the area of economics, finance, accounting and auditing. The editor in chief of JEFA invites all manuscripts that cover theoretical and/or applied researches on topics related to the interest area of the Journal. The publication languages of the Journal are English and Turkish.
